

## God is Good Gamez **GDA Agreement:**

As a God is Good Gamez (GIGG) **GDA (Going Deeper Ambassador)** I agree to the following statements and understand that some statements are about motivation and desire and others are about actions:

### **www.GodisGoodGamez.com**

“I desire to keep practicing personally the process of asking for and receiving God’s intimate love and forgiveness for myself in every area of my life.”

“I desire to keep learning how to lead by example GIGG participants in getting the most out of their GIGG experience by tracking my points using the “EZ Track My Going Deeper Points” on the GIGG website.”

“Before any game gathering that I organize I will seek to take 10 minutes to be alone with God and invite Him to help me to give Grace to all gathering participants, to be Patient with all gathering participants and to be Consistent to follow all instructions from the GIGG GDA Handbook.”

“I understand and agree that the desire of my heart is personally ‘following Jesus’ and growing in my relationship with Him so my behavior less and less resembles Romans Chapter 1:18-32 and more and more resembles the fruit of the Spirit in Galatians 5:22-26.”

“I understand and agree, based on the holistic interpretation of scripture that GIGG is ***not*** demeaning me in any way by requesting that my above mentioned desire to follow Jesus be consistent with my public, legal marriage choices.”

“I understand and agree that claiming to wholeheartedly follow Jesus with my life while publicly, legally entering into or maintaining any union which is by definition and common understanding ***not*** consistent with the behaviors and attitudes warned against in Romans 1:18-32 is not preferred or logical.”

“I understand and agree that GIGG’s decision to ***not*** associate with me as a GDA or ending of the association as an GDA is based solely on a difference of interpretation and definition of logical congruence and ***not*** based on any discrimination or ‘hate’ of me or my rights to make personal choices.”

“I understand and agree that there is a large difference between participating in GIGG, which is open to all people; all beliefs; all personal choices and associating with GIGG as a GDA.” **Example:** It is polite to smile and treat everyone on the street you meet with respect, but to associate in a business partnership a person is ***not*** hateful if they require certain similar philosophies to be present in order for both parties to go forward.”

“I understand and agree that if I perceive any unequal respect for my intrinsic value based solely on my personal choices from anyone associated with GIGG I will deal only privately with GIGG ownership via email or phone to resolve these feelings.”

“I understand and agree that, even though I am ***not*** an employee of GIGG, the “at will” standard that applies to employer/employee associations does apply to the association between myself and GIGG. Simply put, for any reason either party can end the association and agrees to not seek legal compensation for perceived damages.”

“I understand and agree that it is possible for GIGG to say “no” to an association with me as a GDA for various reasons, but that “no” is not based on race, sex, gender or sexual orientation.”

“I have read the GDA Handbook.”

“I understand and agree to refrain from public ‘disagreements’ with any volunteers during the GIGG gathering. Instead, I will offer feedback and have ‘debriefing’ sessions with volunteers (See Rule of four) after a gathering.”

“I have completed a background check and made 2 copies. One for my records and one for GIGG records.” (Email to [dblcookies@gmail.com](mailto:dblcookies@gmail.com))

“I understand and agree that I am required to report any changes to my criminal record to GIGG immediately and this may affect my association with GIGG.”

“I have read and understand the GIGG “Code of conduct” and “Rule of Four” and desire to, with God’s help, *remain* aware of the guidelines and guard against the temptation to “lower my standards.”

“I understand and agree that GIGG is not required to guarantee I follow the Code of Conduct and Rule of Four and is not responsible for any actions I take at any time.”

“I understand and agree that my confirmed violations of any “zero tolerance” behaviors listed in the Code of Conduct will result in the immediate ending of my association with GIGG as a GDA.”

“I understand and agree that my confirmed double ‘violation’ of any “two strikes” behaviors listed in the Code of Conduct will result in suspension of my association with GIGG as a GDA for 3 weeks.”

“I understand and agree that, if I choose to associate as a GDA after suspension (3 weeks) and again commit a single “two strike” behavior I will never again be able associate as a GDA and organize formal GIGG gatherings. (Formal gatherings only are listed on website)”

“I understand and agree that ending my association with GIGG as a GDA is the only action that GIGG will take in response to a documented ‘zero tolerance’ action or a repeat of a ‘two strike’ action. I can still track personal points via website.”

“I understand and agree that all GIGG ownership, GDA, volunteers and participants will report any illegal activity that I do if they become aware of it to the appropriate authorities. Verified assault against any listed above is included.”

“I understand and agree that as a part time GDA, making ‘tons of money’ is not my motivation.”

“I understand and agree that I can receive as 1099 income 9% of any Loyalty Partner (LP) and Business Partner (BP) funds submitted through the GIGG website that include my name and are designated for rewards.

“I understand and agree that any 1099 income only continues for GDA still associated and in good standing with GIGG.”

“I understand and agree that I am responsible to get a GIGG registration form (appropriate for the state of the participant) signed by every participant (or parent/guardian) in any gathering that I organize as soon as possible. (See Registration Form)”

“I acknowledge that I am over age 18 and all information I am giving is accurate to the best of my knowledge.”
